

# WaterHog<sup>®</sup> Silver

by M+A Matting

The world famous WaterHog design with a new anti-microbial surface that reduces bacteria growth by 99%!

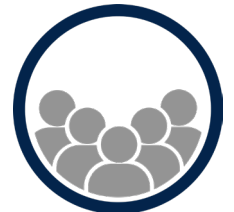

The design of these mats features a silver ion anti-microbial fiber, WaterHog Silver mats offer added protection from odor-causing bacteria and **help prevent the growth of mold, mildew & fungus**

The trusted bi-level construction of WaterHog mats combined with the anti-microbial component creates a  **durable**  mat with an extended service life compared to other mats

WaterHog mats are made with PET fabric which features at least 90% recycled content and rubber backing with 20% recycled content making it an **eco-friendly** product choice

The odor protection, increased durability, and eco-friendliness of WaterHog Silver mats leads to decreased frequency of product replacement resulting in **customer satisfaction**
