

TuffComfort® Mats

Anti-Fatigue Mats • Indoor

TuffComfort mats are crafted with a PVC-free polyurethane synthetic leather surface and open cell polyurethane foam for exceptional anti-fatigue properties.

- **Durable and Safe** – Synthetic leather surface provides a durable and smooth aesthetic while beveled edges create seamless transitions to the floor
- **Comfortable** – High density, open cell polyurethane foam helps eliminate pressure to the lower back and legs, providing superior comfort
- **Easy to Clean** – PVC-free polyurethane synthetic leather surface is easy to clean - hose off or sweep
- Features 3/4” thick polyurethane foam cushion with a synthetic leather surface
