

## Hog Heaven® Mats and Knee Guards

Improve comfort and reduce fatigue

Implementing ergonomic solutions, like industrial-grade anti-fatigue matting, can make employees more comfortable, and therefore more productive.

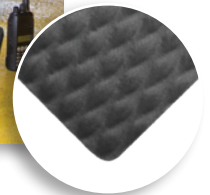

### Hog Heaven® Features

- **Comfortable** - High-density nitrile-blended cushion helps eliminate pressure to the lower back and legs, providing superior comfort
- **Durable** - Nitrile-blended cushion provides years of useful service life; cushion is molded, not glued, to the nitrile rubber surface so it will not separate; edges will not crack or curl
- **Welding safe**
- **Versatile** - ESD rating of electrically conductive; chemical resistant; surface is grease/oil proof and cushion is grease/oil resistant

### Hog Heaven® Knee Guard Features

- **Clean** - Closed-cell nitrile-blended foam will not absorb liquids, and the 100% nitrile rubber surface easily wipes clean with soap and water
- **Durable** - Welding safe; chemical resistant; surface is grease/oil proof, cushion is grease/oil resistant
- **Welding safe**
- **Versatile** - When you need a welding safe, chemical resistant, grease/oil proof surface, put the rubber side up; when you need additional traction on a slippery surface, put the rubber side down (foam side up) for added slip-resistance
