PRODUCT USAGE

M+A Matting will not be responsible for damage or injury resulting from improper use or placement of our mat products. Mats that have become damaged or distorted should be taken out of service immediately.

TERMS

All terms are 30 days, FOB Dalton, Georgia or FOB LaGrange, Georgia unless otherwise stated.

SIZES

Sizes are not always exact measurements. Measurements may vary up to 5% due to the manufacturing process.

THIRD-PARTY SELLING

M+A Matting does not allow resellers, distributors, or their subsidiaries to sell its products on third-party platforms, including but not limited to Amazon, eBay, Wal-Mart, etc. without express written permission.

MINIMUM ADVERTISED PRICING (MAP) POLICY

M+A Matting unilaterally enforces minimum advertised pricing (MAP). It is a violation of M+A Matting's MAP policy for any distributor or reseller to advertise any M+A product on the internet or public listing at a price below the minimum advertised price (excluding any pricing that is unsearchable such as discounts/promotions applied at checkout or prices available only behind a member login). This MAP policy is not intended to set or limit selling price, only the internet searchable price. This MAP policy is intended to help preserve the brand image associated with M+A products; to keep the focus on quality and performance rather than pricing. M+A Matting will enforce this policy unilaterally and reserves the right to discontinue business with any distributor/reseller that is in violation of this MAP policy's effective date (which was February 15, 2021).

PROMOTIONS: We understand that from time to time, distributors offer site-wide, category-level, or item-level promotional discounts for products. To do so is not a violation of MAP as long as the following parameters are met: The discount/promotional pricing is only visible in the shopping cart (not on display pages or product detail pages), and promotions can only run for 30 days "on" with a 30-day "off" period in between. For example, if you run a 10% off mats promotion July 1-31, please do not run another discount/promotion until September 1 or later.

QUANTITY PRICING: Minimum advertised pricing for quantities greater than one has not been specifically set/published for non-logo items. However, we ask that distributors/resellers adhere to a general rule of not allowing pricing for quantities greater than one to drop below 20% off MAP. In other words, if MAP for an item is \$99.95, the MAP for quantity 2+ of that item should not be less than \$79.95.

At M+A, we stand behind our products. We promise our customers an unconditional, 100% satisfaction guarantee for the life of the product. Our guarantee means that you can partner with M+A Matting knowing that we will always stand behind our products.

M+A Matting Logo Mat Program

Overview: M+A Matting offers 15 different types of logo mats. Each of these logo mat processes result in high quality products your customers will be very proud to use. Pricing is calculated by each individual design number and quantity. Different size logo mats and standard mats may not be combined for quantity discount.

Ordering Logo Mats is As Easy As 1-2-3:

- 1) Visit www.mamattting.com.
- 2) Choose Submit Artwork under Artwork or Submit Design under My Account.
- 3) Follow steps listed. Make certain to attach your electronic file.

Once your proof arrives by email, please take the following simple steps:

- 1) Approve or make necessary changes to the proof.
- 2) Return the art proof to artwork5@mamattting.com,
with your purchase order and quantity of mats desired.

Faxed copies distort artwork and therefore cannot be used. Below is a list of different types of artwork (if you do not have access to a vector based high resolution logo file). Each is classified as acceptable, unacceptable or marginal. If we are unable to use marginal artwork, we will advise the person who placed the order to supply us with different materials. Please try to provide the best possible artwork on the initial order, as this will expedite the process.

Acceptable	Unacceptable	Marginal
Vector Graphic Files:	Faxes	Color Prints*
AI, EPS, PDF, CDR, SVG	Emblems	Newspaper Ads
Image Files:	Copies of Emblems	Yellow Pages Ads
TIFF (600 DPI/PPI)	Banners	Business Cards

PNG (600 DPI/PPI)	Full Size Mats	
Black/White Ad Slicks	Badges	
Letterhead	Shirts	
Brochures	Hats	
Business Literature		

*Color prints, if available may be submitted to show color placement for a design.

Art Proofs: Art Proofs are available for approval of your designs. Art Proofs first and second versions on a single design are provided at no charge. Additional art proof versions of the same design will cost \$25.00 each. Art proof charges will not be refunded if the design is subsequently ordered.
